ORIENT

PROFESSIONAL EXPERIENCE

ORIENT is new generation of high quality hand Tools with Chrome vanadium alloy and carbon steel for years.
The quality of materials allow you to work without deformation.
ORIENT has wide range of product with confidenc and more than 20 years experience in hand tool market all over the world.
ORIENT is always growing market share with innovative thinking, new solutions of technology.

ORIENT представляет собой новое поколение высококачественного ручнго инструмента из сплава хром-ванадия и углеродистой стали, что обеспечивает использование инструментов в течение долгих лет без поломок и деформаций. ORIENT широкий спектр уникальных продуктов с уверенностью и более чем 20-летний опыт работы на рынке ручного инструмента, во всем мире.
ORIENT доля постоянно растет рынок с инновационным мышлением, новые решения в технологии
